

Media Awards Won by NERI 1986-2009

National Health Information Award

The National Health Information Awards program is designed to establish a seal of quality for consumer health information. The awards are organized by the Health Information Resource Center (HIRC), a national clearinghouse for consumer health programs and materials.

Telly Award

The Telly Awards honor the very best local, regional, and cable television commercials and programs, the finest video and film productions, and work created for the Web. The mission has been to strengthen the visual arts community by inspiring, promoting, and supporting creativity.

Media Owl Award

The Owl Award program has recognized outstanding films, videos and television programs for and about older persons, and encourages the creation of productions that break down the traditional stereotypes of aging.

Cine Golden Eagle

The CINE Golden Eagle Award acknowledges high quality production in a variety of content categories for professional, independent and student filmmakers. CINE's mission is to recognize and foster overall excellence in film and video production, especially among new and emerging talent, and providing educational and programmatic services.

National Educational Media Network: Apple Awards

The Apple Awards Competition focuses on educational media titles in TV programs and documentaries as well CD-ROMs. The NEMN Bronze Apple is widely recognized as a standard of excellence in the educational media.

Freddie Awards International Health and Medical Media Awards

The Freddie Award competition celebrates excellence in medical and health media dedicated to exploring the health-related issues that change people's lives including: documentaries, feature-length films, series, videos, Websites, and CD-ROMs. The competition's judging is conducted by medical and production professionals from across the country.

The New York Festivals "The Global Awards"

The Global Awards are recognized as the only awards dedicated to excellence in healthcare communications on an international basis. By broadening the focus beyond advertising alone, the mission of The Global Awards is to lift the perception of creativity above clever headlines and smart design, and to explore the feelings and emotions transmitted between a message's creator and its recipient.

International Monitor Awards

The International Monitor Awards honor the creative achievements of production and postproduction professionals around the world, recognizing outstanding work in electronic production and post-production (color correction, electronic visual effects, audio post production, editing, directing and 'best achievement').

Health Sciences Communications Award

The HeSCA Media Festival is produced by the Health and Science Communications Association and is an international forum for health sciences media, in which entries in print, film, video, still media, and interactive media compete for distinguished honors and visibility. The festival recognizes health communications media that demonstrate outstanding media design and production value.

Technology Games/Partnership for Networked Consumer Health Information

The Technology Games is a highly visible opportunity for developers of interactive health communication applications to showcase their use of communication and information technologies to improve health. It provides leading developers and vendors of interactive health applications a national forum to demonstrate their work.

Aesculapius Award

Aesculapius Award (of Excellence in Health Communication) is given to producers of health-related web sites, television and radio public service announcements (PSAs) that are considered excellent in communicating health information to the public. Judges choose one website and one PSA to receive the Aesculapius Award.

Videographer Awards

The Videographer Awards is an international competition designed to recognize excellence in Video Productions, TV Commercials/ News/ Programs and New Media. The mission of the Videographer Awards is to provide meaningful recognition to hard-working, creative companies, individuals and their clients. Entries are judged by the Association of Marketing and Communication Professionals (AMCP), an organization that consists of several thousand marketing, communication and video professionals.
